The part numbers shown in black are new clutch units (not remanufactured).
In the example above the new unit is **805160**.

The part numbers in green are remanufactured clutch units.
In the example above the remanufactured clutch unit is 805140.

When a remanufactured clutch unit is supplied, the old unit (core) has to be collected as part of our Exchange Standard policy.

In order to remind you of this information we have put a symbol at the bottom of each page.

 = 000000

When an application is covered only by a part number in black, it means that we only have a new clutch unit for this application.

Les références en vert sont des références d'embrayages rénovés.
Dans l'exemple ci-dessus il s'agit de la référence 805140.

Quand un embrayage rénové est vendu, la carcasse de ce dernier sera récupérée dans le cadre de notre politique d'échange standard.

Afin de vous aider à retenir l'information,
nous avons mis un symbole à chaque bas de page.
